In re: MMK License LLC v. Electric Plant Board
of Glasgow
CSR-8900-C, MB Docket 15-12

Dear Mr. Deutsch and Ms. Stelfox:

On December 31, 2014, MMK License LLC ("MMK"), licensee of television station WNKY-TV, Bowling Green, Kentucky, by its attorneys, filed a Retransmission Consent Complaint against Electric Plant Board of Glasgow ("GEPB") for allegedly violating its duty to negotiate in good faith a retransmission consent agreement for carriage of station WNKY serving Glasgow, Kentucky.

On January 29, 2015, MMK and GEPB filed a Joint Request for Withdrawal of the Retransmission Consent Complaint informing the Commission that the parties have reached an agreement and have resolved their carriage dispute. Therefore, MMK and GEPB jointly request that MMK's Complaint be withdrawn and that the proceeding be terminated.

Accordingly, pursuant to Section 0.283 of the Commission's rules, the Joint Request for Withdrawal is granted and the Complaint is hereby dismissed.

Sincerely,

Steven Broecker
